FOR ARCHITECTS & DESIGNERS

Capabilities sheet

Antoon Construction Services is a licensed Class B general contractor focused on residential remodels and commercial tenant improvements in Rancho Santa Fe, Del Mar, La Jolla, Carlsbad and nearby cities.

What we build

- Interior remodels: kitchens, primary suites & baths, whole-home interiors
- Commercial: tenant improvements and project management support on named projects

How we work with design teams

- We partner with architects and interior designers — we do not compete with them
- No in-house redesign and no silent substitutions without the design team's sign-off
- Design-phase budget reviews at schematic and design development
- Open-book, line-item estimates organized by trade, with allowances shown
- One dedicated team from preconstruction through closeout

Credentials

- Licensed CSLB #1076134, Class B · Bonded · Insured
- Insured: general, excess and professional liability
- All trade work by licensed, insured subcontractors
